

Information Technology Scholarship

Purpose

The Information Technology Scholarship was created to reward AAE seniors whose plans are to pursue a Computer Science, MIS, CIS, Computer Programming, or related field of study at an accredited college or university or technical vocational school.

Amount

\$500.00

How Fund is Sustained

- Funds generated through numerous IT-sponsored fundraising events

Guidelines/Criteria

- Applicants must be seniors at the Academy for Academic Excellence
- Must plan on pursuing further education through an accredited college, vocational/technical, or trade school
- Must have a minimum of 3.50 GPA
- Involved with computer courses during high school, either at the AAE or supplemental college courses
- Awards must be used to pay for tuition, books, school related fees, and/or room and board (receipts required)
- Awards will be sent to accredited institution

Application Form/Process

- Applicants must complete the required application and include the following:
 - > An Official Academic Transcript
 - > Applicant Consent Form
 - > At least one reference (non-relative) from a community organization, teacher, or work supervisor
 - > A brief written statement about interests, plans and goals
 - > A personal essay about themselves and how receiving this scholarship and attending college/vocational school will help them achieve their goals.

Selection Process/Committee

- Recipients are selected by the Scholarship Committee and Information Technology Department
