

Student Stars Fall on Alabama

"GAVRT: Rings In The New Year with Cassini-Huygens"

*Brewton Middle School
Teachers Carrie Brown &
Debbie Godwin*

*Opelika Middle School
Teachers Jeanie Murphy
& Deborah Lindsey*

*Sanford Middle School
Teacher Frank Ware*

Students from three schools across the state of Alabama continuously ran DSS-12 **all night long** on January 7 & 8, 2005 for eleven hours while tracking Saturn as the Huygens probe was on its descent to Saturn's moon, Titan.
