

## Pat Reeder (our lead GAVRT trainer) goes to Tennessee to attend ceremony honoring her parents!

Many of you know or were trained by Pat Reeder, our lead GAVRT trainer. While she currently lives in Auburn, Alabama, she was raised in Tennessee. Both her parents were teachers, coaches, and/or school administrators. Her mother also served as a librarian. On August 3, Rockvale Middle School (in Rockvale, TN) dedicated its new library to three individuals who were instrumental in the beginning of their school years earlier. Two of which are Pat's parents; Clifton and Dot Tucker. The

Rockvale Middle School Read-Tucker Library dedication ceremony was held and several former students spoke at the touching ceremony. While Pat's father passed away years ago, her mother and Mr. Read (both in their 90's) were able to attend.
