She hasn't been able to determine the %, but maybe about 10%. We have had more in the past and will work to increase that again. Possibly a different time of the year would work better. AR 3543: BUSINESS AND NONINSTRUCTIONAL OPERATIONS TRANSPORTATION SAFETY

Adopted: December 12, 2022

Revised:

The President/CEO or designee shall develop a Transportation Safety Plan containing procedures to ensure the safe transport of students. The plan shall address all of the following:

- 1. Determining if students in grades prekindergarten through eight require an escort to cross a private road or highway at a bus stop pursuant to Vehicle Code <u>22112</u>.
- 2. Boarding and exiting a school bus or school activity bus at a school or other trip destination.
- 3. Procedures to ensure that a student is not left unattended on a school bus or school activity bus. A school activity bus is defined as the following: any motor vehicle, other than a school bus, operated by a common carrier, or by and under the exclusive jurisdiction of a publicly owned or operated transit system, or by a passenger charter-party carrier, used under a contractual agreement between a school and carrier to transport students at or below the 12th grade level to or from a public or private school activity, or used to transport pupils to or from residential schools, when the pupils are received and discharged at off-highway locations where a parent or adult designated by the parent is present to accept the pupil or place the pupil on the bus.

Such procedures shall include the requirement that all school buses or school activity busses shall be equipped with a child safety alert system at the interior rear of each bus that shall be automatically activated upon movement of the vehicle and requires manual activation to turn it off, thereby prompting the driver to inspect the entirety of the interior of the vehicle before exiting. A school activity bus may be exempt from this requirement if all of the following apply:

- The bus is not used exclusively to transport students;
- The students are accompanied by at least one adult chaperone;
- If the adult chaperone is not an employee, the chaperone shall meet the requirements for a school volunteer;
- The adult chaperone has a list of every student and chaperone, including school employees, who are on the bus at the time of departure;
- The driver has reviewed all safety and emergency procedures before the initial departure and the driver and adult chaperone have signed a form acknowledging review of the safety plan and procedures;
- The adult chaperone takes and certifies a head count prior to each departure and the driver and adult chaperone sign a form verifying that all students are present and accounted for;
- After students have exited the bus and before driving away, the driver checks all areas of the bus;

- The driver shall sign a form with the time and date verifying that all required procedures have been followed and all required documentation shall be retained by the charter school for at least two years.
- 4. Procedures and standards for designating an adult chaperone, other than the driver, to accompany students on a school bus, school activity bus or ride hailing app.

A copy of the plan shall be kept at each school site and be made available upon request.

Before departing on a school activity trip, all students riding on a school bus or student activity bus shall receive safety instruction, which includes, but is not limited to, proper passenger conduct, the location of emergency exits and the location and use of emergency equipment. This instruction also may include responsibilities of passengers seated next to an emergency exit.

In the event of a vehicle accident, the driver shall immediately notify the CHP and the President/CEO or designee. The driver shall not leave the immediate vicinity of the bus to seek aid unless necessary. The President/CEO or designee shall maintain a report of each accident that occurred with students aboard. The report shall contain pertinent details of the accident and shall be retained for 12 months from the date of the accident. If the accident was not investigated by the CHP, the President/CEO or designee shall forward a copy of the report to the local CHP within five working days of the date of the accident.

When LCER sponsored transportation is not available, the President/CEO or designee may arrange for the transportation of students by private automobile. The LCER will ensure that each driver designed by the LCER to use a private automobile to transport students on school-sponsored trips or off-campus activities must file and keep current the following information in the LCER Human Resources Office:

- Be fully cleared as an active LCER Employee or Volunteer
- Volunteer Driver Acknowledgement Form
- Copy of Current Drivers License
- DMV Pull Notice Authorization
- DMV Driver Record Information
- Automobile Insurance Declaration with Liability coverage of \$100,000/\$300,000 minimum liability insurance

The LCER staff member assigning a designated driver for approved transportation shall verify the driver's status with the LCER Human Resources office and ensure that Field Trip Permission Slips signed by parents/guardians are on file and provided to the driver for any trip, as well as that an Off-Site Event Form is on file and provided to the kiosk upon leaving for the trip.

Use of personal vehicles where hazardous road conditions exist is prohibited. These hazardous road conditions are those declared by California Highway Patrol, or other city, county, state or federal agencies authorized to monitor road conditions.

Student councils, parent teacher associations, and any other organizations requesting transportation shall be fully responsible for the costs of the trip. To the extent that funding has been approved by the Board, such costs may be charged to the LCER.

When LCER transportation is not available, the CEO or designee may authorize the transportation of students by private automobile for approved field trips and off-campus activities in accordance with administrative regulations. The vehicle must be driven by an adult who has registered with the LCER for such purposes and has received approval from the CEO or designee. All drivers shall be provided safety and emergency information. All student passengers shall provide permission slips signed by their parents/guardians.

- e. Nothing in this Policy shall be interpreted to prohibit solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or the LCER and other entities from providing students prizes or other recognition for voluntarily participating in fundraising activities.
- 4. Complaints alleging noncompliance with the requirements governing the Local Control Funding Formula ("LCFF") or Sections 47606.5 and 47607.3 of the Education Code regarding Local Control Accountability Plans ("LCAP"), as applicable. The LCAP is an important component of the LCFF, the revised school finance system that overhauled how California funds its K-12 schools. Under the LCFF, the LCER is required to prepare an LCAP, which describes how the LCER intends to meet annual goals for its pupils, with specific activities to address state and local priorities identified pursuant to Education Code Section 52060(d). If the LCER LCAP under Education Code sections 47606.5 and 47607.3, as applicable. If LCER adopts a School Plan for Student Achievement in addition to its LCAP, complaints of noncompliance with the requirements of the School Plan for Student Achievement under Education Code sections 64000, 64001, 65000, and 65001 shall also fall under this Policy.

Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 <u>no longer fall under the UCP. Instead, they</u> are governed by Title 7, Code of Federal Regulations ("C.F.R.") sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations ("C.C.R.") sections 15580 - 15584.

Complaints alleging noncompliance regarding special education programs established pursuant to Education Code sections 56000-56865 and 59000-59300 <u>no longer fall under the UCP. Instead, they</u> are governed by the procedures set forth in 5 C.C.R. sections 3200-3205 and 34 C.F.R. sections 300.151-300.153.

Procedures

The following procedures shall be used to address all complaints which allege that the LCER has violated federal or state laws or regulations enumerated in the section "Scope," above. Compliance officers shall maintain a record of each complaint and subsequent related actions for at least three (3) calendar years.

All parties named shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

• Step 1: Filing of Complaint

Any individual, including a person's duly authorized representative or an interested third party, public agency, or organization may file a written complaint of alleged noncompliance or unlawful discrimination, harassment, intimidation or bullying pursuant to this Policy.

A complaint of unlawful discrimination, harassment, intimidation or bullying may be filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying or by one who believes any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. An investigation of alleged unlawful discrimination, harassment, intimidation or bullying a complaint no later than six (6) months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying unless the time for filing is extended by the CEO or designee, upon written request by the complainant setting forth the reasons for the extension. Such extension by the CEO or designee for good cause for a period not to exceed ninety (90) calendar days following the expiration of the six-month time period. The CEO shall respond immediately upon a receipt of a request for extension.

All other complaints under this Policy shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the LCER Board of Directors approved the LCAP or the annual update was adopted by the LCER.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

Complaints filed pursuant to this Policy must be in writing and signed. A signature may be handwritten, typed (including in an email) or electronically generated. Only complaints regarding pupil fees or LCAP compliance may be filed anonymously as set forth in this Policy. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the LCER staff shall assist the complainant in the filing of the complaint.

• Step 2: Mediation

Within three (3) business days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation, or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the complaint to the satisfaction of the complainant, the compliance officer shall proceed with the investigation of the complaint.

The use of mediation shall not extend the LCER's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

• Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five (5) business days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally.

The complainant and/or the complainant's representative shall have an opportunity to present evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, or a complainant's failure or refusal to cooperate in the investigation or the complainant's engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

The LCER's refusal to provide the compliance officer with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

• Step 4: Final Written Decision

The LCER shall issue an investigation report (the "Decision") based on the evidence. The LCER's Decision shall be in writing and sent to the complainant within sixty (60) calendar days of the LCER's receipt unless the timeframe is extended with the written agreement of the complainant. The LCER's Decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The Decision shall include:

- 1. The findings of fact based on evidence gathered.
- 2. The conclusion providing a clear determination for each allegation as to whether the LCER is in compliance with the relevant law.
- 3. Corrective actions, if the LCER finds merit in the complaint and any are warranted or required by law.
- 4. Notice of the complainant's right to appeal the LCER's Decision within thirty (30) calendar days to the CDE except when the LCER has used its UCP to address complaints that are not subject to the UCP requirements.
- 5. Procedures to be followed for initiating such an appeal.

If an employee is disciplined as a result of the complaint, the Decision shall simply state that effective action was taken and that the employee was informed of the LCER's expectations. The Decision shall not give any further information as to the nature of the disciplinary action except as required by applicable law.

Appeals to the CDE

If dissatisfied with the Decision, the complainant may appeal the LCER's Decision in writing to the CDE within thirty (30) calendar days of receiving the LCER's Decision. The appeal shall be accompanied by a copy of the complaint filed with the LCER and a copy of the Decision. When appealing to the CDE, the complainant must specify and explain the basis for the appeal including at least one of the following:

- 1. The LCER failed to follow its complaint procedures.
- 2. Relative to the allegations of the complaint, the LCER's Decision lacks material findings of fact necessary to reach a conclusion of law.
- 3. The material findings of fact in the LCER's Decision are not supported by substantial evidence.
- 4. The legal conclusion in the LCER's Decision is inconsistent with the law.
- 5. In a case in which the LCER's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the LCER's Decision, the CEO or designee shall forward the following documents to the CDE within ten (10) calendar days of the date of notification:

- 1. A copy of the original complaint.
- 2. A copy of the Decision.
- 3. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties or gathered by the investigator.
- 4. A report of any action taken to resolve the complaint.
- 5. A copy of the LCER's complaint procedures.
- 6. Other relevant information requested by the CDE.

If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to the LCER for resolution as a new complaint. If the CDE notifies the LCER that its Decision failed to address an allegation raised by the complaint and subject to the UCP process, the LCER will investigate and address such allegation(s) in accordance with the UCP requirements and provide the CDE and the appellant with an amended Decision addressing such allegation(s) within twenty (20) calendar days of the CDE's notification. The amended Decision will inform the appellant of the right to separately appeal the amended Decision with respect to the complaint allegation(s) not addressed in the original Decision.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2)either party request reconsideration by the may State or (3).Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision. The SSPI will not consider any information not previously submitted to the CDE by a party during the appeal unless such information was unknown to the party at the time of the appeal and, with due diligence, could not have become known to the party. Pending the SSPI's response to a request for reconsideration, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.

The CDE may directly intervene in the complaint without waiting for action by the LCER when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including but not limited to cases in which, through no fault of the complainant, the LCER has not taken action within sixty (60) calendar days of the date the complaint was filed with the LCER.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the LCER's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before

pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the LCER has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint.

We continue to grow the database created to itemize each source and detail the most appropriate one for each expense. The use of the database, when maintained properly, will support the School Administration Team with proper planning and the continued success of using the most restrictive dollars first.

HR is also continuing to recruit for Classified Substitutes and Certificated Substitutes interested in careers in the field of education in an effort to ensure we can advise proper educational paths and hire highly qualified applicants both internally as well as externally. HR continues to search for additional pathways to hire staff into open positions to include part time - remote work, emergency permits, etc.							
3.2 <u>Objective</u> : Develop a comprehensive	The CEO cont Force to deve				e Team and B	oard Task		
succession plan for key positions.	LCER leadership and stakeholder groups are calendared for the year. These include groups such as: data governance, management team, school site council, principals' advisory, LCAP, general administration and administrative assistants, administrative team meetings, academic leadership teams, health and safety, etc. These teams help establish a strategic flow of communication throughout the organization from the board to the parents as well as builds capacity of individuals within the various leadership groups.							
3.3 <u>Objective</u> : Invest in professional development for classified and certificated staff, administration, and board members to align with strategic plan and LCAP goals.	 HR and admin finalized the tracking/documentation of annual staff mandated trainings (i.e.: bullying, mandated reporting, bloodborne pathogens, suicide prevention, title IX, sexual harassment, etc.) and school safety (i.e.: comprehensive school safety plans, monthly safety drills, school safety teams, etc.). LCER executive team, administrative and other staff attended the Charter Schools Development Center's annual conference in Sacramento the week of November 14, 2022. This conference offered valuable networking events and varied professional development opportunities geared towards charter schools. Additionally, it provided critical updates and exclusive insights from a team of experts who stay busy throughout the year tracking the latest developments in charter school funding, policy, accountability, (LCAP), governance, operations and more.

Image: Communicate and engage students, staff, families, and community partners to drive a shared commitment to our common vision, mission, and goals. 4.1 Objective: Board and Executive Team will actively communicate LCER's mission to the community partners that we serve. The CEO, staff and Ambassadors have supported and attended various events in the region. These include AV Mayor's Student Summit, Greater HIgh Desert Chamber of Commerce's Valley Morning Insight, CSforALL Workshop, and San Bernardino Chamber Koffee Klatch. The Lewis Center joined the Town of Apple Valley, AVUSD, AV Fire, and San Bernardino Sheriff's Department to create a public service announcement on the dangers of Fentanyl. This PSA was shared through each agency's social media and other communication systems. The CEO and PR Coordinator attended the White House Initiative Latino Summit at Cal State University San Bernardino on November 17th. The CEO continues to participate in San Bernardino Sheriff's Exchange and Apple Valley Sheriff's Work Group. These networks have provided several opportunities to partner with our local law enforcement for each school. Noche de las Estrellas will be held at Norton on December 3rd. The VIP guest speakers are from the Mexican Space Agency, NASA Headquarters, NASA						

4.2 <u>Objective</u> : Increase ongoing communication with LCER stakeholders as evidenced by staff, parent and student satisfaction on annual surveys.	The Executive Team will send out staff climate surveys during the December All Staff meeting. The results of these surveys will be reviewed during the Executive Team's January strategic planning workshop. The analysis will help us determine where specific supports and resources should be allocated and to identify possible weaknesses in school climate. Additionally, it will help us determine how staff perceive support received from various departments.

Lisa Lamb, President/CEO Lewis Center for Educational Research 1700 Mana Road Apple Valley, CA 92307

Dear Lisa,

At the beginning of this calendar year, I accepted a new position as Managing Director at Urban Futures, Inc., a California municipal and financial advisory firm. Since assuming this position, the demands on my time from work have increased significantly and my schedule has often been unable to flex during the working week. As a result, my capacity to consistently attend board meetings of the Lewis Center for Educational Research (LCER) has significantly decreased to the point where I have only attended approximately fifty percent of the meetings this year and I have been unable to extend my engagement beyond board meeting attendance.

Sporadic attendance and non-participation beyond board meetings fails to meet the standards I expect for being an effective leader of a non-for-profit organization. Additionally, my occasional occupation of a board seat prevents LCER from having a more engaged representative from the San Bernardino area, which is important for viewpoint and geographic diversity on the board.

I love serving on the LCER board and I deeply believe in the organization's mission. However, because I do not see my circumstances changing in the foreseeable future, I believe it is incumbent on me to resign and help LCER identify a potential new board member to fill my position. I am currently serving on the board nominating committee and would be happy to continue in that role until the work is complete and a recommendation is made to the board.

It has been a privilege to serve on the LCER board for the last five years, to work with the wonderful LCER staff, and to help realize the vision of a new campus for the Norton Science and Language Academy. I have gained more than I have given, and I hope there will be additional opportunities to support LCER and its mission in San Bernardino County. Please pass along this message to LCER board and my sincere regrets for the change in circumstances that has necessitated my resignation.

Respectfully,

Y.J
