5. **Discussion/Action Items:**

.01 Recruitment of Lewis Center Foundation Board Members: Calls have not yet been made to the identified contacts. A deadline of 2 weeks was given to make the calls. Be sure to fill out the log and submit the completed log to Teresa, who will compile a master list of those we've contacted. If they're interested in attending the September 5 meeting, be sure to get their email address to send the packet.

.02 Donor Update: Teresa distributed reports of donations received for the 2016-17 school year. The Foundation statements are part of the LCER Board packet. Marcia will cover these during her committee update at the LCER Board meetings.

.03 Next Steps:

- a. We are initiating a mail campaign to all of our parents and supporters and hope this brings in some donations.
- b. Donna Siegel reported that Kay Ardenski approached her regarding fundraising for Local Outreach. Lisa noted that she had a meeting with Kay and the program needs some restructuring to be able to break even. A community fundraiser in mineral city was suggested.
- c. The website is being updated and the donation page and form will be updated as well.

6. **Board/Staff Comments:** Lisa reported that the D.C. visit has created energy around the GAVRT program, which will help the work of the Foundation. There is a NASA talk on campus on August 9.

Lisa also reported that when Bud Biggs retires from the LCER Board, he will suggest a replacement from Mitsubishi to retain their ongoing support.
