### .05 Fundraisers

- i. AAE Shade Fundraiser David Gruber reported that this is a parent run fundraiser. The Foundation is tracking these donations within the AAE Capital Campaign funds. The parents have placed banners on campus and Jisela has added the fundraiser to the website to donate.
- ii. NSLA Playground Fundraiser David Gruber reported that the Foundation is tracking donations made specifically for the playground within the NSLA Capital Campaign funds. The Annual Galas have raised capital campaign funds, which may be used for items such as the playground, a marquee, bleachers, campus improvements, etc. The quote for the playground is currently \$100K, but due to the uncertainty of construction costs, quotes are good for only 30 days. More funds are needed to complete the playground. A link for direct playground donations will be sent in Infinite Campus and placed on the website. Jessica Rodriguez noted that families need communication on where we are with the playground, fundraising and how they can help. David will meet with Fausto regarding this communication.
- iii. AAE and NSLA Brick Campaign David Gruber reported that AAE has done a brick campaign in the past and the personalized bricks are in the ground in front of the AAE gym. We will be reintroducing this campaign and including NSLA as well to purchase bricks to be placed in front of the NSLA gym. Jisela is updating the text for the website and flyer.
- iv. Brew Event Jisela Corona reported that the former chair, Tyler Jaramillo was heading up this fundraiser and had researched breweries in the Inland Empire. It was discussed to plan a date and

then reach out to the breweries. Araceli Gonzalez asked about the structure of this event. It is a friendraiser where we would receive proceeds. She has many ideas on how to enhance the event and bring in partners to benefit all involved and raise a lot of funds. Araceli and Jisela will meet to discuss this further and bring information back to the next meeting. It was decided to have the event on May 26, 2022 from 5:30-7:30 p.m.

- v. Golf Tournament Jisela Corona reported that we have not heard yet if we are able to partner with the Greater High Desert Chamber of Commerce again for the golf tournament, but that last year's notes said they were planning on moving it back to a late September date.
