To Whom it May Concern:

The Lewis Center for Educational Research Student Ambassadors are a group dedicated to advocating for quality education and the empowerment of students throughout our school, community and nation. This year, we are raising \$10K to travel to Sacramento during our spring break to meet with our local and state representatives regarding issues in education.

We are seeking sponsors to help us fund this trip. We appreciate the ongoing generosity that the community has provided to the Lewis Center over the past 30+ years. Much of the success of our schools and programs can be attributed to support from people like you. Your dedication to the mission of the Lewis Center *"to ensure our schools and programs prepare students for success in a global society through data driven, innovative, and research proven practices in a safe and inclusive culture"* is greatly appreciated. We are thankful for any contributions to help us be successful in our goal to further expand educational opportunities for students at our schools and throughout our region.

Please send any donations to the Lewis Center, attn: Ambassadors, 17500 Mana Rd., Apple Valley, CA, 92307. You can also donate online at www.lewiscenter.org using the "Donate" button and putting "Ambassadors" in the comments.
